

## A 1950s American Diner comes to Meyer House Care Home

**We hosted a wonderful 'Through the Decades' 1950s day here at Meyer House Care Home last week.**

Our theme for the day was 'American Diner' and we decked out our **Home** with **America and British flag bunting, vinyl records** and of course a **pink Cadillac!**

Our Chef for the day was Jordan who served up some lovely thick **delicious burgers**, or a nice helping of Leigh's **homemade meatloaf**.

To get us all in a rock 'n roll mood, our very own **Debbie and her husband Steve came dressed in 50s outfits and performed music** for everyone to enjoy.

*What a brilliant party – our residents thoroughly enjoyed themselves!*
