

A legend retires from Meyer House Care Home

Our team at Meyer House Care Home bid a very fond farewell to our Manager Gill Redsell (fondly known as 'The Captain') on Friday 24 September, when she retired after a dedicated career spanning 15 years at our Home.

During her years at **Meyer House**, Gill forged a **strong family feel and close bonds with our families and local community**. Compassion and **love for her residents** was always her driving force, as well as her **commitment to her dedicated staff team**.

Gill was a **passionate fundraiser**, supporting many charities close to our hearts including Bexley Community Hospice, London Air Ambulance and Dementia charities.

But she will perhaps be especially remembered for her **amazing themed days and outfits at Meyer House!** Always in the thick of the action, she has donned many a costume over the years, including Wilma Flintstone, Morticia, Charlie Chaplin and even a Christmas Cracker!

Gill will be greatly missed by everyone, but we wish her a very happy retirement. She leaves behind her a wonderful legacy (*not to mention some fantastic photographs!*) at our **Home**.

Wishing you a wonderful retirement Gill – from all your friends at Meyer House!

Leaving drinks for Gill
