

A right royal Jubilee celebration at Meyer House Care Home

We had a wonderful afternoon for the Queen's Platinum Jubilee on Thursday 2 June here at Meyer House Care Home, when our Home became a vision of red, white and blue!

Our ladies and gents thoroughly enjoyed our amazing singer and a great **BBQ cooked by Jordan**.

The royal family also attended and **the Queen brought along her corgis** who got lots of attention!

Everyone had a **tasty ice cream from Mr Whippy** and a nice cold **glass of Pimms**. *The perfect way to celebrate her majesty's 70 year reign!*
