

A tree in memory of Hilary at Meyer House Care Home

Our residents and staff at Meyer House Care Home thought so much of our lovely Business Support Officer Hilary, who we sadly and suddenly lost recently.

Everyone wanted to do something to remember her by for Christmas, so we made some baubles with her photo inside and added our own **personal messages**.

The baubles were then hung on our trees around **Meyer House**, but mainly on our outside tree which Hilary loved.

We have now named this 'Hilary's tree' and intend to decorate it every year, to remember her with much fondness and love.

Making our baubles for Hilary
