

A trio of birthdays at Meyer House Care Home

We've had lots of birthdays over the past week here at Meyer House Care Home, with three of our residents celebrating with their friends and families. Everyone has had so much cake, we are full to the brim!

First of all is **Sheila** who celebrated her **88th** birthday – in the garden surrounded by all her family and friends – they all had a lovely afternoon.

Then we had **Len** who we made "*King for a Day*" as he was celebrating turning **60!** Len had his family come to visit throughout the day and was thoroughly spoilt.

Finally we had **Cosimo** who celebrated reaching the grand age of **93!** Cosimo spent the day with his wife and daughters and had a lovely day.

Sheila | Ken | Cosimo | Many happy returns all!
