

A very chocolatey Easter at Meyer House Care Home

We were delighted to welcome lots of delicious chocolate into Meyer House Care Home for Easter!

Our residents came together to make **chocolate Rice Krispie Easter nests** - they really enjoyed stirring the yummy ingredients together to make their tasty treats.

And what Easter would be complete without an egg or two?! We presented all our lovely residents with an **Easter egg** of their own to enjoy, and were greeted with lots of big smiles!

We hope you all enjoyed the Easter weekend.
