

## Always a smile at Meyer House Care Home

We've enjoyed many fantastic times with our residents over the last few months here at Meyer House Care Home.

Our themed **Nellsar Cruise** stops in Spain and Italy, **St Georges Day**, **Pirates** and more; so much fun and so many smiles!

We are one big family at **Meyer House** and love capturing our ladies and gents and staff team in photos.

With COVID restrictions easing and visits increasing, we are looking forward to sharing more good times with families and friends in the summer.

We hope you enjoy this **video** we've put together of our recent fantastic activities.
