

Birthday wishes and music at Meyer House Care Home

Our lovely Meyer House Care Home resident Jack had a lovely 92nd birthday with us on Tuesday 21 November, celebrating with his family and friends.

He enjoyed a nice **cold shandy**, plus some **delicious chocolate cake** which he kindly shared with everyone.

We had a fun-filled afternoon with **Rob T providing some lively musical entertainment** and everyone enjoyed having a great singalong to all their old favourites and celebrating Jack's special day at the same time.

Many happy returns!
