

Birthday wishes for Doreen and Bill at Meyer House Care Home

We've enjoyed two recent birthday celebrations here at Meyer House Care Home.

Our lovely **Doreen** had a really super birthday celebrating with her family at Greenwich Park and our Chef Leigh made her a beautiful birthday cake – *she felt thoroughly spoilt!*

Bill enjoyed his 97th birthday with friends this morning. He opened his present and had no trouble blowing out the two candles on his cake – *we didn't think he could manage 97!*

Many happy returns to them both!
