

Birthday wishes for Helen at Meyer House Care Home

Our lovely resident Helen celebrated her 96th birthday last week with us at Meyer House Care Home, surrounded by her family.

Her daughter had a **delicious cake** made for her and she received some gorgeous flowers.

Our team members gave Helen a **special 'makeover'** and she loved her new look.

Helen's favourite pastime is dancing and she certainly did lots of that on her special day!

Many happy returns!
