

## Brighter Days Ahead display at Meyer House Care Home

**We had fun with our Meyer House Care Home residents last week when we came together to create a colourful new display for our lounge.**

Our ladies and gents are all gradually returning to our communal lounge, after being in their rooms for so long. They have all been marvellous and extremely patient, but they are so pleased they can now see their friends again and have a chat.

We cut out and **coloured flowers** for our wonderful **new rainbow sign**, which sums up how we all feel – that they'll be "*Brighter Days Ahead*".

Making flowers for our display
