

Celebrating Chinese New Year at Meyer House Care Home

We're celebrating Chinese New Year this week at Meyer House Care Home by making lots of lovely lanterns and Chinese cherry blossom plates.

Our residents have enjoyed some tasty **Chinese food** and **fortune cookies**, plus **lucky envelopes containing money** (....chocolate money, and very tasty it was too!)

We've also had fun doing some **Chinese puzzles**, **learning to write our names in Chinese** and watching a **Chinese circus**.

Wishing everyone a very happy Chinese New Year!

We enjoyed all our creative activities
