

Celebrating International Nurses Day 2020 at Meyer House Care Home

Thank you so much to all our Nurses, Practitioners and Team Leaders

Meyer House Care Home Manager Gill Redsell had some very special words to share with her staff for International Nurses Day on 12 May:

"As the Manager of Meyer House Care Home, I work with my team of Nurses to ensure that the clinical needs of the residents in our care are met. I am very proud to say that the teamwork between Nurses and Care Staff is excellent, which has enabled Meyer House to continue to run with diverse skills, competencies, love, care, laughter and a lot of fun! We may be small, but we have a big heart and we always work as a team!"

Staff presented our Nurses with flowers, chocolates or Prosecco as a way of saying "thank you" and showing their appreciation.
