

Cheeky cheese and wine afternoon at Meyer House Care Home

We hosted a delicious cheese and wine afternoon at Meyer House Care Home on Tuesday 5 October.

Our team prepared a wonderful selection of **tasty cheeses** and **a glass or two of rosé**, with some of our gents preferring a **nice chilled beer**.

It was a lovely social event, and **Doreen's daughter Janice enjoyed a relaxing afternoon visiting her mum** and having a group chat with our other residents in the lounge.

A very civilised way to enjoyed the afternoon!

Our residents loved our cheese and wine afternoon
