

Christmas dress up day at Meyer House Care Home

We held a staff Christmas dress up day here at Meyer House Care Home on Tuesday 17 December, to bring some colour and festive cheer to our Home.

Our residents, relatives and visiting GP thought we were highly amusing in our outfits, which included Santas, elves and an angel. Manger Gill looked particularly fetching in her festive cracker costume!

We were entertained by Santa Claus, Mrs Claus and Santa's Helper and enjoyed a good Christmas sing-along, with lots of laughs enjoyed by all.

Christmas has certainly arrived early at **Meyer House!**
