

## Cockney day at Meyer House Care Home

It was all fun and games here at Meyer House Care Home last week when we hosted a 'Cockney day' for our lovely residents.

Our own dear **Debbie** with her husband **Steve** entertained us all with their **good old London pub songs**. Everyone thoroughly enjoyed hearing the classic tunes and to make it the perfect day we all tucked into **pie and mash** – a firm favourite in Meyer House.

*Thank Debbie and Steve for a brilliant knees up!*
