

## Colourful Spanish celebrations at Meyer House Care Home

We had lots of fun and laughter at Meyer House Care Home on our arrival in Spain last week, as we continued on our virtual Cruise.

We decorated our lounges with **Spanish flags** and red and yellow balloons and our staff looked amazing in their **Spanish outfits**...including one beautiful **Flamenco dancer** in particular – *can you spot her?!*

Our residents enjoyed our **Spanish props** – hats, flags and maracas!

Such a fun and lively day; with **amazing themed food** and **sangria flowing**, a good time was certainly had by all!

*Viva Espana!*

We all enjoyed the lively day!
