

Commemorative Poppy Tribute at Meyer House Care Home

Our residents and staff at Meyer House Care Home came together this week to create a beautiful Remembrance display for our Home.

Using a combination of painting and homemade felt poppies, they created a touching picture of a soldier in a poppy field - each poppy bearing the name of one of our residents, as they remember those lost in the war.

Homes across **Nellsar** are all getting involved in creating these beautiful poppy displays for Remembrance Sunday - and we are delighted to have such a wonderful homemade tribute at **Meyer House**.
