

Double birthday celebrations at Meyer House Care Home

Birthday fun

We enjoyed celebrating two birthdays last week at Meyer House Care Home, with lots of fun and smiles!

Gwen celebrated her 93rd birthday and **Jack** turned 91 years young! They both had delicious cakes made by our **Chef Leigh** and had lots of presents to enjoy, plus a birthday balloon each saying 'King' and 'Queen' for a day!

Many happy returns to them both!

Water painting

Our residents enjoyed a lovely afternoon of magic painting with water on Saturday 19 November.

These clever pictures require water to make them come alive – our ladies and gents enjoyed the 'wonderful animals' ones in particular and they were so pleased with all the lovely colours.
