

## Enjoying The Grand National at Meyer House Care Home

On Saturday 10 April we came together at Meyer House Care Home to watch The Grand National race and cheer on our chosen horses.

We ran a **sweepstake** for our residents and staff, and our ladies and gents enjoyed **drinks and nibbles** as they viewed the event on television.

1st, 2nd and 3rd places were won by residents and the 4th place was chosen by one of our staff team. *So, all good in the house!*

Our Denis has also enjoyed some naval picture colouring recently – a very relaxing pastime.
