

## Family smiles at Meyer House Care Home

**On Friday 20 August we were delighted to see lots of happy smiling faces around Meyer House Care Home, with some special family visits.**

**Jack** had his first visit since moving in with us, from the gorgeous **Sofia** who bought him lots of cakes and chocolate in.

And our lovely **Lilian** saw her son **Carl**, who due to being in the armed forces spends a lot of time out of the country. It was a wonderful surprise for her and lovely to see them reunited when 'her boy' came to visit.

*Emotional times and lots of happy tears!*
