

Fathers Day fun at Meyer House Care Home

On Sunday 20 June it was all about our gents, not just the 'dads', on Father's Day here at Meyer House Care Home – they are all loved and so special to us.

Our gents all received a **bag of goodies containing their favourite sweets and chocolates**, plus a **scratch card each** and a card with the words '*Never forget you are someone special*'.

The day was theirs to do with as they pleased; have a **pamper**, **play cards or board games**, or **watch a film followed by the football** – which most chose to do with a nice cold beer and some tasty nibbles!

Our Leelee also made them some **lovely cakes to celebrate the day** and they all enjoyed being made a huge fuss of, which they all totally deserve.

Happy Father's Day chaps. We hope you enjoyed your special day!
