

Fun in the sun at Meyer House Care Home

Our sun hats and sun cream have been put to good use in the week as our ladies and gents have been out in the garden enjoying some fun and games at Meyer House Care Home.

Table can skittles and **hoopla** were big hits with our residents as they tested their aiming skills in the sunshine. They've all enjoyed **ice lollies**, shade and plenty of drinks too in order to keep cool.

Charlotte turned her hand to making some delicious **smoothies** using ice-cream for our residents to enjoy recently. As you can see, they went down very well!

Amy is our Team Leader and currently our hairdresser too! She's also a '*Professional Photo Bomber*' and loves to get in on the action when the camera's about, which is great fun! *Say cheese Amy!*
