

## Games and puzzles afternoon at Meyer House Care Home

We had a nice games and puzzles afternoon on Wednesday 17 November here at Meyer House Care Home, with crosswords, word searches, jigsaw puzzles and dominoes being the order of the day!

Bill and Jack enjoyed a great game of **dominoes**, while Joan enjoyed doing her favourite **word searches**. Hugh chose to take some time to sit and do some **drawing**.

Recently **Jack** enjoyed a nice cup of tea whilst looking at some photos that his family had posted on his **interactiveMe** profile. He especially loved seeing images of the newest addition to his family – his gorgeous **great granddaughter Francesca**.
