

Garden centre trip and birthday wishes for Doris at Meyer House Care Home

Garden centre

Some of our lovely Meyer House Care Home ladies had an enjoyable few hours at their favourite garden centre last week, checking out the lovely plants and gift items.

They treated themselves to some new clothes and had a **nice lunch** together. *Happy days!*

Happy birthday to Doris

We celebrated **Doris's 86th birthday on Sunday 21 May** with some of her favourite **flowers** and a **delicious cake**, which she very much enjoyed.

Many happy returns Doris!
