

Green fingered Jack prepares his tomato plants at Meyer House Care Home

Jack spent some time with his family on Wednesday 4 May here at Meyer House Care Home, preparing his tomato plants for the garden.

We're all excited to see them grow and are looking forward to having some nice juicy tomatoes for our salads!

Meanwhile in our lounge, **Hugh, Sylvia, Jack** and **Bill** were getting their **hats ready for our VE Day celebrations** on Sunday 8 May.
Looking good guys!
