

Halloween celebrations at Meyer House Care Home

Our residents and team members at Meyer House Care Home had a spooky time at our Halloween party last week with 'scary witches' casting spells.

Our resident Geoff and his daughter really got into the spirit of things, especially Geoff with his mask which he kept on all afternoon!

The lighthearted fun and frivolities were a great excuse to enjoy some music and a singalong with John and his saxophone; a fantastic way to *'blow away the cobwebs'!*
