

Halloween entertainment at Meyer House Care Home

We enjoyed a very spooky morning on Monday 31 October as we celebrated Halloween with our residents at Meyer House Care Home.

We transformed our lounge into a spooktacular Halloween den, featuring some lovely **big hairy spiders** and we all enjoyed wearing **Halloween hats and accessories**.

Our team member **Debbie and her husband Steve sang some great songs** for us with lots of audience participation – even **Suzi our Pat Dog came along** for the morning to join in the fun.

A highlight were our colourful **Halloween-themed cupcakes**. *Scarily tasty!*
