

Happy birthday to Maggie at Meyer House Care Home

On Sunday 4 October, we celebrated Maggie's 88th birthday at Meyer House Care Home and she enjoyed spending precious time with her daughter and her children.

They brought in a wonderful **birthday cake**, featuring a cascade of **jelly tots** on top and a collar of chocolate fingers – *amazing!*

Maggie enjoyed opening all her cards and thoughtful gifts and we presented her with some **flowers** for her special day.

Many happy returns Maggie! We know how much you love being part of your **Meyer House** family.
