

Hot chocolates and pamper time at Meyer House Care Home

This week our residents have enjoyed some comforting and relaxing treats here at Meyer House Care Home.

We took a group of our ladies and gents for a trip on the bus to our local Costa Coffee Shop. Hot chocolates were on the menu and these went down a treat - so warming in this chilly weather!

We also held a special '*Ladies Pamper Time*' session. Our ladies were completely indulged, head to toe, with relaxing spa treatments. Hand massages, foot spas, hairdressing, make-up, nail varnish and perfume - what heaven!

Our ladies thoroughly enjoyed this immersive experience, where they could totally relax and enjoy being spoilt. Some also enjoyed a little tipple while they were waiting for treatments.

We're so pleased you enjoyed it ladies!
