

## **Jasmine entertains at Meyer House Care Home**

**On Tuesday 8 October we welcomed singer and entertainer Jasmine to Meyer House Care Home, who created quite a buzz with her energy and enthusiasm.**

The feather boas came out as we all enjoyed her repertoire of 60's songs, which soon turned into a karaoke event, as we do love a sing-along!

Our ladies and gents, together with relatives, friends and staff all loved the spirit and fun Jasmine brought to our **Home**.

### **Gentlemen's rugby morning**

Our gents enjoyed a special rugby morning together on Wednesday 9 October, complete with beers, nibbles and newspapers.

They enjoyed the game (....and were very 'good sports' when some of our ladies gate-crashed!!)
