

Jubilee afternoon tea at Meyer House Care Home

Queen comes for tea

We had a lovely afternoon tea on Thursday 26 May here at Meyer House Care Home, to get us all in the mood for the upcoming Jubilee.

Claire made us some lovely **finger sandwiches** and **Leigh** made her usual tasty treats including **fancy fondants and cupcakes**. We had **scones** with thick cream and jam too and lashings of tea of course!

The **Queen** dropped by with her **corgis** and June thought it was fun for one of them to join her at the table (*or that should be on the table!*).

We had some lovely **Glenn Miller music** playing in the background and all thoroughly enjoyed our afternoon.

Green fingered Jack

Jack is all ready with his tools to do a little spot of gardening.

Jack's family have brought him his own **bedding plants** and some **tomato plants** which we all can't wait to taste.

He tends to them himself and does a great job – well done Jack!
