

Lilian celebrates turning 95 at Meyer House Care Home

We had a lovely day last week celebrating our lovely Lilian's 95th birthday at Meyer House Care Home.

Lilian enjoyed a wonderful **visit from her daughter** and shared her **amazing cake**, made by Leelee, with everyone – it tested just as delicious as it looked!

Our birthday girl received lots of cards, presents and flowers and commented that she felt like the *"Queen for a day!"*

We all want her tips on how to look so youthful!

Many happy returns Lilian, from all your friends at Meyer House.
