

Lots of fun and laughter at Meyer House Care Home

Gill and her amazing team at Meyer House Care Home bring fun and laughter to every day and this week has been filled with it!

Singing in the garden

Carrie-Ann volunteered to sing for our residents, staff and neighbours as Dolly Parton; everyone really appreciated the live entertainment and it was such lovely weather we could enjoy it all outside.

Football and snakes and ladders

We have lots of competitive ladies and gents in our midst; we had such fun with games of football and snakes and ladders in the lounge.

Chocolate time

Our new resident John loved his Mars Easter egg and Norman's favourite was a box of Cadbury's Creme Eggs! Ena enjoyed her M&Ms egg and Eileen wasn't about to share her Milky Bar Buttons egg.

Thank you Postie

Our Leigh drew an amazing thumbs-up picture under a rainbow thanking our Postman for his continued deliveries through these 'scary' times. *Well done Leigh!*
