

Lots of love for Suzi and Bonzo at Meyer House Care Home

PAT dog Suzi

We had a lovely visit at Meyer House Care Home from Suzi our PAT dog on Tuesday 26 July. She spent a lot of time with a number of our residents who spend the majority of their time in their rooms.

Doris and Doreen were happy to be able to give Suzi a treat from their beds and **John** thought he would tempt her with a biscuit!

Suzi was quite happy to sit with **Joan and Doreen** in the lounge for a nice rest.

She always brings such happiness on her visits.

June and Bonzo

Our lovely **June** has really formed a bond with her new dog **Bonzo** after receiving him for her birthday from our **Meyer House** staff.

He hasn't left her side, and we think he is now her favourite!

June loves Bonzo!
