

Maggie from Meyer House Care Home enjoys a visit to family

Our lovely resident Maggie from Meyer House Care Home had a lovely afternoon on Saturday 5 June when she was able to visit her daughter at home, to meet up with her grandchildren and great-grandchild.

She was so happy **cuddling the baby** in the glorious sunshine, plus she even managed to **speak to her sister** via Skype down under in Australia!

A wonderful day for her, surrounded by loved ones.
