

## **Making salt dough decorations at Meyer House Care Home**

**Our Meyer House Care Home residents had a lovely afternoon recently making some salt dough Christmas decorations.**

We moulded the dough and made cutouts of gingerbread men, stars, snowflakes, Christmas bells, plus a few rolled candy canes for good measure!

Everyone really enjoyed themselves and had lots of fun getting creative for the festive season.

We can't wait to put the finishing touches to our decorations after they dry, so we can hang them on our Christmas trees.
