

## Many happy returns to Doreen at Meyer House Care Home

**Our lovely Doreen at Meyer House Care Home celebrated her 88th birthday on Wednesday 16 June.**

To mark her special day, she enjoyed a **visit with all her family**, including her gorgeous **great grandson Chester**.

She was delighted to be surrounded by all her loved ones and thoroughly enjoyed her day.

Doreen is such a happy and cheerful resident here at our **Home** and when a new resident arrives feeling anxious, she is there to comfort them with her kind words and reassurance, resulting in a large circle of friends.

*Happy birthday lovely lady!*
