

Meyer House Care Home celebrates Fathers Day

Our lovely Meyer House Care Home gents enjoyed a wonderful Father's Day on Sunday and loved spending time with their families and enjoying their treats!

Jack had his three daughters in to spoil him and John's daughter bought him in his favourite Ferrero Rocher chocolates.

Bill, Sylvia and Lilian enjoyed some fun in the sun last week, as we made the most of the **lovely warm weather**. They enjoyed playing **board games together and cards outside**. *A perfect way to spend a sunny afternoon!*
