

Meyer House Care Home Halloween celebrations

Once again our staff at Meyer House Care Home made a fantastic effort for Halloween, with some very stylish dressing up and a duo of spooktacular cakes to choose from – we were spoilt!

We made sure any residents unable to join us downstairs were not left out and got to enjoy all the **Halloween** fun!

We were delighted to have musical entertainment from singer **Kevin Walsh** too. He brought lots of joy to our **Home** with his songs, and we all enjoyed joining in!
