

Meyer House Care Home ladies enjoy a garden centre outing

Some of our lovely ladies from Meyer House Care Home enjoyed a trip out recently to our local Millbrook Garden Centre.

As well as seeing some lovely **flowers and plants**, they were lucky enough to meet **three-year-old Burmese python 'Spear'**. Being only a baby, she is apparently relatively small at the moment and has quite a bit more growing to do! We all thought she was lovely and had a stroke of her.

Also being dog lovers, **we made a beeline for every dog we saw** and met a Cockapoo called Charlie who did a little trick and made us laugh.

What a super trip out!
