

Meyer House Care Home ladies receive gifts from PAT dog Suzi for Mothers Day

Suzi our wonderful Pets As Therapy (PAT) dog surprised our ladies at Meyer House Care Home, when she came to visit us on Tuesday 22 March with some lovely framed photos of herself which she gave as gifts for Mother's Day.

Doreen, Joan and **Lilian** were so pleased and couldn't wait to display their photos in their rooms.

Bill, Jack and **June** also enjoyed having their **weekly cuddle!**

Come back soon Suzi!
