

## Meyer House Care Home meets the wild wild West

Everyone had great fun and games during our Wild West Day last week here at Meyer House Care Home.

We decked out our lounge like a **Saloon bar**, complete with Clint Eastwood, wagon wheels and cacti!

Lots of amazing **dressing up** too from our staff team and all our residents – *cowboys, Indians, a Sheriff and lots of 'wanted' criminals!*

We also welcomed a **Country music duo**, who sang for us so we could all do a bit of line dancing.

Everybody had such a wonderful time. *Yeehaw!*
