

Meyer House Care Home residents enjoy a virtual cruise to Mexico

We had a wonderful time last week here at Meyer House Care Home cruising around Mexico in the sunshine on our virtual Nellsar mini cruise!

There were lots of entertainments and board games on the upper deck, and we even had some family members join us as we travelled – one even managed to sneak her pet dog Darcy aboard, which went down a treat!

Our amazing Catering Team (Scott, John, Brenda and Claire) provided some mouth-watering authentic Mexican food for us all to taste including:

- Mexican burritos*
- Nachos with cheese*
- Chilli con carne with rice and guacamole*
- Meringues with fresh fruit and chocolate*
- Refreshing shandy*

We cannot wait for our next adventure!
