

Meyer House Care Home residents enjoy an afternoon of games

We all enjoyed an eventful afternoon of games on Friday 6 August here at Meyer House Care Home.

Our energising game of '*balloon tennis*' got everyone joining in to the best of their abilities and everybody did so well.

During the afternoon we had a **connect four competition** with Doreen and Bill in the final, competing for a lovely big bar of chocolate. *We decided it was a draw so they shared it!*

Maggie was over the moon with her new photo of **great grandson Orlando**. The handsome little chap has just received his first passport!

And **Jack happily played us some lovely tunes on his harmonica** too – a lovely afternoon was had by all.
