

## Meyer House Care Home residents enjoy National Cheddar Day

**We had a wonderful afternoon at Meyer House Care Home on Monday 13 February celebrating National Cheddar Day with lots of lovely cheddar cheese and crackers on offer!**

There were lots of other 'cheddary' snacks to enjoy too, which all went down a treat with our residents.

We took our cheddar trolley around to all of our residents' rooms so everyone could have a nice big plate full. Some accompanied their nibbles with a sneaky glass of wine too.

Delicious!
