

## Meyer House Care Home residents enjoy pizza at Polhill

We had a lovely trip out to Polhill Garden Centre recently with a group of our ladies and gents from Meyer House Care Home, including the wife of one of our residents.

The garden centre offers so many things to browse and enjoy, including plants, aquatics, gifts, clothes, a farm shop - and of course a rather nice restaurant!

We stopped for a delicious fresh **pizza lunch** together which we all thoroughly enjoyed.

*I'm sure we'll be back again before too long!*
