

Meyer House Care Home residents go camping in Bonnie Scotland

Last week at Meyer House Care Home we packed up our camping gear and took our residents on an armchair 'Carry on Camping' adventure to Scotland!

Having transformed our lounge into a colourful (and twinkling!) camping scene with **rugs**, **picnic basket** and **camping chairs**, we had lots of fun **singing around our campfire**, **drinking** and **toasting marshmallows** – yum!

We all enjoyed 'the great outdoors' with great friends – and even spotted **Nessie**, who joined us for some selfies! (.... she's now living in our activities room where she feels very at home!).

Thank you to our amazing **Leelee** who made our stunning **Carry on Camping cake**, complete with tent, campfire and a canoe! It looked incredible and tasted delicious.

We all really loved the sights and sounds of Bonnie Scotland. Next stop Ireland – *we can't wait!*
