

## Meyer House Care Home residents have some festive hat fun

**Our lovely residents at Meyer House Care Home enjoyed getting 'hat ready' for our Christmas party last week.**

Each **chose their own hat to wear** for our special festive day – *Christmas puddings, elf ears and reindeer antlers galore!*

*Jack fell asleep while we was decorating the tree... and soon realised that was a big mistake as he got decorated as well! Great fun!*

We loved feeling festive!
