

## Meyer House Care Home residents receive delightful letters and pictures

**Our residents at Meyer House Care Home were so thrilled recently to receive a wonderful selection of thoughtful letters and colourful pictures from the children of Old Bexley Primary School in Bexley.**

### ***The delivery came with a letter;***

*"We hope these letters and drawings find you safe and well. We are from Old Bexley Primary School in Bexley.*

*Children in years 2 and 5 have all produced, for you, a letter or picture. The children's ages range from 6 to 10 and they all have different abilities in writing and drawing skills.*

*We have also included a poster to tell you all about life at our school. We hope this brightens up your day and we will send you some Christmas related things soon!*

*Stay warm and well.*

*Love from Miss Sanderson and the children at Old Bexley"*

Thank you so much to all the children who took the time to make these for us. Such a thoughtful thing to do in the run up to Christmas – we'll enjoy displaying their fantastic pictures in our **Home**.
